

Turn Over A New Leaf Workshops

Still burning leaves? Or are you raking, piling, bagging and dragging them to the curb or drop-off? This fall, learn about time-saving alternatives such as mulching leaves directly into the lawn and quick leaf composting. Waukesha County recycling staff and Jerry Medinger, DNR Air Quality Office will give a joint presentation about easy home yard management techniques, and the problems with leaf burning and air quality in Waukesha County.

To attend one of these free workshops, please email recycling@waukeshacounty.gov with your name, phone number and the date / location you would like. If you do not have email, please call 262-896-8302 to register:
