#### **41.47 ALARM SYSTEM REQUIREMENTS AND FALSE ALARMS PROHIBITED.**

(a) Intent.

Although the Town of Lisbon recognizes that alarm systems serve a public purpose, it is the intent of this section to establish standards and regulations for all alarm systems, as defined in this section, in the Town of Lisbon. Said standards and regulations are intended to prevent carelessness, improper maintenance or any other cause which results in false alarms from privately owned, commercially owned, leased or contracted alarm systems for the purpose of reducing the number of such false alarms received by the Town of Lisbon. Such false alarms initiate police and/or fire department personnel and vehicle response which result in unnecessary expense to the Town, increases the risk of damage to property and injury to persons and dilutes the police and fire protection available for response to other areas of the Town. Such false alarms, therefore, constitute a public nuisance, which must be abated and/or penalized.

(b) Definitions.

- (1) Private alarm system is defined as any device, designed and installed solely for the purpose of detecting and signaling the police and/or fire department, directly or via a central alarm station, to make an emergency response to the signal's location.
  - A. Direct private alarm system is any private alarm system, which is in any way linked to the police and/or fire department.
  - B. Indirect private alarm system is any private alarm system, which is in any way linked to a central alarm station.
- (2) False alarm is a signal, regardless of how received, resulting in a response by the police and/or fire department when an emergency situation does not exist.
- (3) The determination of a False Alarm is made by the Town Administrator in consultation with the contract Sheriff personnel.
- (4) Local alarm system is any system which emits either an audible or visual signal, or both, on the exterior of any property, and is not connected to any other location by any means. This does not include any device designed solely for the purpose of alerting a building's occupants of fire, smoke or illegal entry, or any alarm devices on automobiles.
- (5) Person shall mean any individual, partnership, corporation or other entity.
- (6) Central alarm station shall mean any facility, which receives signals from alarm systems and alerts the police and/or fire department of the need to make an emergency response to the signal.

(c) Central Alarm Station Duties.

Any person, company, organization or other entity providing a central alarm station monitoring service of alarms covered by this section shall be capable of having a service representative or other authorized key holder respond to the alarm location within thirty (30) minutes after activation.

(d) Alarm Conditions.

Alarms shall not be installed without meeting the following conditions:

- (1) The alarm system has the approval of the Underwriters Laboratories or other nationally recognized testing service.
- (2) The alarm system has or will be installed in accordance with any applicable requirements of the Town Electrical Code, including necessary permits.
- (3) The local alarm system shall have a device, which will shut off any audible signal automatically within fifteen (15) minutes after activation.
- (4) Person's shall follow regular alarm testing procedures set forth by the Town Fire Chief.
- (5) For indirect private alarm systems the following additional requirements apply:
  - A. Equipment must meet at least minimum standards as set forth in the Federal Bank Protection Act of 1968.
  - B. Person's shall remove the alarm system when the service is disconnected.
- (6) No person, firm or corporation shall use or cause to be used, any telephone or electronic device or attachment which automatically selects a public primary telephone trunk line of the police or fire department, and then reproduces any pre-recorded message to report any intrusion, robbery or other emergency. Nor will the installation or a private telephone and trunk line for this purpose be allowed.

(5) False Alarm Fees.

Any false alarm from an alarm system responded to by the Town's Police Services in excess of two in any twelve (12) consecutive month period shall incur a special charge for current services rendered. Such charge shall be \$25.00 for the third occurrence and \$50.00 for the fourth and subsequent occurrences. Said fees may be adjusted from time to time by the Town Board as deemed appropriate. The Town shall send a bill for the amount of the charge, to the property owner, and if applicable also to the tenant or other occupant of the property where the false alarm occurred. Such charges that remain unpaid on November 15th of the current year shall become a lien, and shall automatically be extended upon the tax roll as a special charge against the property served pursuant to Section 66.0627 of the Wisconsin Statutes, regardless of whether the resident individual or business causing the alarm is the property owner.

(6) Exemptions.

Property owned or leased by the Town of Lisbon or the Hamilton, Merton or Richmond School Districts are excluded from the provisions of this ordinance.
