New Home Permit Application Requirements

- *Two copies of house plans
- *Two copies of stake out survey showing erosion control and grading plan
- *One copy of sanitary permit placard
- *One copy of the soil test results (Form "A" is required unless a conventional system is installed)
- *One copy of heat loss calculations
- *Wisconsin Uniform Building Permit Application filled out completely
(Leave address area, and zoning area blank)
- *Subdivision architectural approval if applicable
- *Bracing drawings and/or calculations
- *One copy of a grading plans, if not shown on the stake out survey.

-Plans and applications can be dropped off anytime at the address shown above. Please come to the front door and drop your applications/plans in the drop box just to the right. Do not place your plans or applications in the mailbox or paper box at the street. It will not be processed.

-Address and culvert size will be issued with permit issuance.

-Your information will be given to our town engineer to establish an elevation. You will be notified if any additional information is required. It will then come back to my office for the issuance of a building permit.

-If you have any additional questions please call.
